Association News

Quarterly Newsletter for the National Association of Certified Valuers and Analysts

Second Quarter 2011

CEO's Message

By Parnell Black, MBA, CPA, CVA, Chief Executive Officer

Keeping Up with Changing Times

Over the past many years, NACVA's Executive Advisory Board has considered numerous times changing NACVA's name (not the acronym), to reflect its broader purpose. That being, supporting the financial forensics discipline, which encompasses business valuation. Through numerous surveys of our membership seeking a suitable name and with the approval of the Executive Advisory Board, effective immediately, the NACVA will stand for the National Association of Certified Valuers and Analysts.

It will likely take us a number of years to implement this new name into our communications and with the media. During this time, we encourage you to make the same change to your CV, website, letterhead, business cards, etc. If you have any comments, please feel free to contact me at parnell1@nacva.com. Thank you.

Sincerely,

Parnell Black, MBA, CPA, CVA
Chief Executive Officer
